

Certificate of Completion

This is to certify that

Thomas Perrotta

has successfully completed the subject

Tier 1 Generic Knowledge

This subject forms part of the General Advice Specialisation and upon completion of all relevant subjects a digital badge will be issued. This certificate confirms subject completion only and does not satisfy the education requirements for the provision of general advice, as the relevant generic knowledge requirements are not covered in the subject. To meet generic knowledge requirements, individuals must also complete Kaplan Professional's Tier 1 Generic Knowledge subject, or provide evidence that demonstrates generic knowledge obtained through recent formal studies. The AFSL holds sole discretion in granting authorisation for its representatives to provide general advice.
